Children's Newsletter

Well the Easter holidays are over and most of us would be heading back to school or college today or tomorrow but things are looking a bit different, for now. Enjoy the sunshine and keep up with your schoolwork. Keep in touch with friends via technology and have fun.

God bless.

Lisa.

Windmill Craft

John 3:8 "The wind blows where it wishes and you hear the sound of it, but do not know where it comes from and where it is going; so is everyone who is born of the Spirit."

What you need:

- Paper
- Pencil with eraser on the end
- Drawing pin
- Scissors
- Ruler

- Cut a 15cm square piece of paper.
- Draw two diagonal lines on the paper that cross at the centre and mark the centre point.
- Cut along each diagonal line, 7cm towards the centre of the paper. Decorate your windmill.
- Using the straight pin, punch a hole in the centre of the paper and at every other point (about 1/4" from the tip.)
- Curl each pierced point, in turn, toward the centre and poke the pin through the holes and through the centre.
- Attach the pin to the side of the eraser and you have your windmill.

Prayer Corner

Heavenly Father, we spend so much time trying to do things on our own and forget to ask you for help.

Thank you that you are there for us every moment of every day.

We trust you to help us and to show us the way, through good times and bad.

Amen.
