I wonder if you like a good mystery story- I know I do. Recently, I saw a good mystery book, "What Really Happened to Humpty?: From the Files of a Hard-Boiled Detective." In this book Humpty's brother Joe Dumpty (who is a detective), investigates to try to find out what really happened. Did Humpty Dumpty fall or was he pushed? If he was pushed, who did it? Sometimes adults might say that God moves in mysterious ways and we don't always understand why some things happen. But God is always there to help us understand things and to guide us, when things sometimes seem a bit of a mystery. Have a blessed week. Lisa.

Why do tigers have stripes?
So they don't get spotted?
How do you talk to a giant?
Use big words!

Prayer Corner

God, we thank you for being all-powerful and all-knowing and for loving us.

We thank you for the things in life that we don't completely understand and for giving us the faith to believe them anyway.

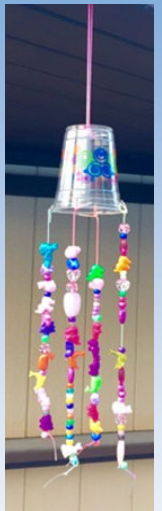

Amen.

Windchimes

You will need:

- Plastic cup
- String or plastic lacing (5 x 8 inch strands)
- Variety of beads

1. Use a pointy object (such as the end of a pair of scissors or even a pen) to poke a small hole in the bottom of the cup and four evenly spaced holes about 1cm down from the edge of the cup.
2. Next, slide one end of each string through the four holes around the edge and knot them.
3. Thread a selection of beads on each string.
4. Once each strand is complete, tie a knot in the ends.
5. Make a loop with the remaining string and push the two ends inside the cup from the hole you made in the bottom and tie in a knot.
6. If you like more sound, thread small bells onto the strands with the beads.
