13.7.20

This week is the final week of the school year and we'll soon start the long Summer holidays. It has been a very strange and difficult year this year and we couldn't have the usual leavers assemblies in schools due to all the restrictions in place. I pray that you all have a wonderful Summer and have chance to catch up with friends and family. For those moving onto new schools and new classes in September, remember that God is always by your side and whether you feel nervous, excited or a bit of both he will always listen. God bless.

Lisa.

## Joke Book

What did the beach say to the tide when it came in?

*Long time, no sea?*

How do you know that bees are happy?

*Because they hum while they work!*

## Prayer Corner

Father God,  
Come be with us today,  
Fill our hearts with joy,  
Fill our minds with learning,  
Fill our classrooms with peace,  
Fill our lessons with fun,  
Fill our friendships with kindness,  
Fill our schools with love.  
**Amen.**

## Stained Glass Butterfly

Black card or paper

Tissue paper

Scissors

Sticky back contact paper

1. Cut out a butterfly shape from the black card and create an outline.
2. Stick the butterfly onto a piece of sticky back contact paper and cut around the edge to fit the outline.
3. Stick on small pieces of different coloured tissue paper to fill the outline of the butterfly.
4. Hang in the window so the light shines through.
