Children's Newsletter

Whilst typing the newsletter this morning, I looked out of my window and saw the birds flying around chirping their conversations to each other, the wind gently moving the leaves in the trees and my cat lying stretched out in the sunshine. I thought how blessed we are to be able to enjoy all the wonders of God's beautiful creation. Whilst the sun is shining and you still have some of the Summer holidays to enjoy, why not try going on a family nature walk and see how many different creatures and living things you can spot. I think you'll be surprised if you just stand and look and listen. Have a wonderful week. God bless.

Lisa.

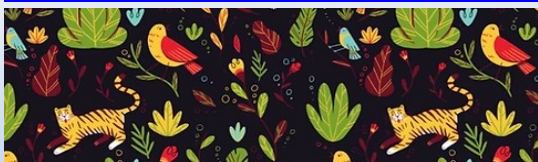

Joke Book

What bird is always out of breath?

A Puffin?

What do you get when you cross a parrot with a centipede?

A walkie talkie!

Prayer Corner

Thank you Lord for the wonders of your creation, which you entrusted to our care.

Help us to look after our world and each other.

Amen.

Grass Heads

You will need:

- An old pair of tights or pop sock
- Grass seed
- Compost or soil
- Small yoghurt pot
- Decorations-googly eyes, pipe cleaners, fabric etc

DIY GRASS HEADS

1. Cut off a 20cm piece of tights that includes the toe.
2. Stretch the tight over a large cup or mug, and spoon in about 2 teaspoons full of grass seeds.
3. Pack in some compost or soil until the head is roughly the size of a tennis ball.
4. Tie a knot to close the end of the tight.
5. You can make a nose or ears by grabbing a bit of tight and twisting. Fasten base of the nose with some thread or a small rubber band.
6. Decorate the face.
7. Half-fill the yoghurt container with water, and put the head on top, with the excess stocking dangling down into the water.
8. Water the top of the head to moisten the compost/soil.
