# Online Course STUDY SKILLS

STARTING

10.30-11.30AM OR 7.00-8.00PM

**DO YOU WANT TO LEARN MORE ABOUT YOUR FAITH?  
THINKING OF SIGNING UP FOR A YSOM COURSE IN SEPTEMBER?  
WONDERING IF YOU COULD MANAGE IT?**

This online short course will help you develop some study skills in a small, safe group whilst looking at the person of Jesus in the gospels. The course is designed to grow your confidence and show that you can learn!

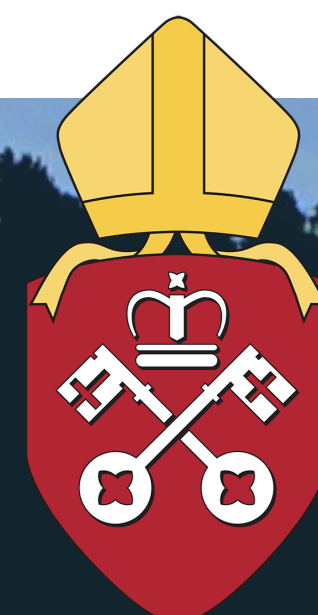

Each week there will be an online lesson with links to short videos or audio lectures, articles to read and simple exercises to work through. This should take about an hour a week. In addition to this we will meet together as a small group using online video conferencing to discuss and explore the content together. As part of this we will develop study skills, using a different gospel each week, including:

- how to identify key information and make useful notes
- how to write down your ideas using evidence to make your point
- how to ask questions that will help our learning
- how to summarise the ideas of others

The course is open to all and particularly suitable for Recognised Parish Assistants or those considering more study or training for faith and ministry at YSOM. Booking is essential - please email [ysom@yorkdiocese.org](mailto:ysom@yorkdiocese.org) to secure your place.
