Taizé music is intended to be easy to learn through simple melody and repetition so that everyone can immediately join in, the aim is to blend beautifully by listening to one another, and through this to offer our praise to God and to enter into contemplative prayer. Contemporary Communion. On the third Sunday of the month at 10.30am in Dunnington. Our contemporary communion services are an experiment in a new form of worship aiming to be more inclusive for those not familiar with churches and for younger people and children. All of the key elements of a communion service will be present, but they might happen a bit differently. We'll use some of the words in the booklet to help us join in together and we're aiming to be more interactive, more visual and to use more recent music. We're hoping to create an atmosphere of praise, prayerfulness and community, and we hope most of all that everyone would meet with Jesus as we worship together. Come and join us!
